RISK DISCLOSURE STATEMENT.

***Warning: The risk of loss in trading foreign exchange (Forex) can be substantial. You should therefore carefully consider whether such trading is suitable for you in light of your financial condition. The high degree of leverage that is often obtainable in Forex Trading can work against you as well for you. The use of leverage can lead to large losses as well as gains.

Forex trading offers large potential rewards, but also large potential risk. You must be aware of the risk and be willing to accept them in order to invest in the Forex market. Don't trade with money you cannot afford to lose.

We at LR FOREX FREEDOM work hard to provide our customers with LOW RISK/HIGH REWARD Forex Managed Account Service and Trading Systems. But we also know that there is nothing like a "Holy Grail" and no single system is perfect.

By using our services you agree to hold LR FOREX FREEDOM and anyone involved in the development, production and distribution of any system/strategy purchased through LR FOREX FREEDOM free of any responsibility or liability for any losses sustained while trading with live funds. Any live trading that you do, be it manual or automated, you do so at your own risk and discretion. Forex is a risky business. You can lose large sums of money by taking the risk of trading in the live market. LR FOREX FREEDOM shall not be held responsible for any losses that you might incur during any trades.

This is neither a solicitation nor an offer to Buy/Sell currencies, futures, stocks or options on the same. No representation is being made that any account will or is likely to achieve profits or losses similar to those discussed verbally or written on any literature by LR FOREX FREEDOM. The past performance of any trading system/strategy or methodology is not necessarily indicative of future results. No guarantee is made that you will be able to replicate the same results.

This product is not intended for distribution, or use by, any person in any country where such distribution or use would be contrary to local law or regulation. None of the offered products or services are available to persons residing in any country where the provision of such services or investments would be contrary to local law or regulation. It is the responsibility of client to ascertain the terms of and comply with any local law or regulation to which they are subject.

CFTC RULE 4.41

HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY.

SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFIT OR LOSSES SIMILAR TO THOSE SHOWN.

THE RISK OF LOSS IN TRADING FOREIGN EXCHANGE (FOREX) CAN BE SUBSTANTIAL. YOU SHOULD THEREFORE CAREFULLY CONSIDER WHETHER SUCH TRADING IS SUITABLE FOR YOU IN LIGHT OF YOUR FINANCIAL CONDITION. THE HIGH DEGREE OF LEVERAGE THAT IS OFTEN OBTAINABLE IN FOREX TRADING CAN WORK AGAINST YOU AS WELL AS FOR YOU. THE USE OF LEVERAGE CAN LEAD TO LARGE LOSSES AS WELL AS GAINS.

LR FOREX FREEDOM EXTREME 4.4

Thank you for purchasing my LR FOREX FREEDOM EXTREME 4.4. Over last few years I have spent 100's of hours testing different indicators and \$1000's buying systems that just don't work. I have been using this set up for over 6 months now and it works better than anything else I ever purchased or tried using. I have put all these indicators and settings together myself. Everything was custom made for me. I am sure you will be very happy with the results my trading system will bring you, just like I was.

You will find the following items in the downloaded folder.

Indicators:

- LRFF-SINGLE TREND ARROW.exe
- LRFF-MV TREND ARROW.exe
- LRFF-MTF SINGLE TREND.exe
- LRFF-10.2 TmaSlope v.8_2.exe
- LRFF-Wave.exe
- LRFF-CLOCK INFO.exe

Templates:

- lrff – long term trader - client.tpl
- lrff – trend trader - client.tpl
- lrff – scalper - client.tpl
- lrff – 20 pips a day - client.tpl

AND

Bonus folder with useful information for you and few extra goodies.

**ONLY FOREX BROKERS THAT I PERSONALY USE AND TRUST WITH
EXCELLENT LOW SPREADS AND LOW OPENING BALANCE**

HOW TO TRADE LONG TERM TRADER SYSTEM

Buy & Sell Entry Rules

Sell when **RED** arrow appear, price bar closed below **RED wave line** on chart and the RSI is below the 50 line. Exit straight away when you see **RED** arrow on opposite side. Do the complete opposite for buy order!

(In example bellow I am using the **RED** vertical lines to show the SELL signal and EXIT) And **BLUE** vertical line for BUY signal.

HOW TO TRADE 20 PIPS A DAY TRADER SYSTEM MUST USE 15 MIN CHART

Buy & Sell Entry Rules

First check the direction of the **RED arrow**, after the price bar closes at the red box wall enter in the same direction as the **RED arrow** with TP 20 pips or (15 pips if you want to be super safe!) Also make sure that the 1, 5 and 15 min arrows are in same direction on the indicator MTF-LRFF. (indicator pic bellow). You can set the TP and walk away!

RSI also must be above 50 if buying or bellow 50 if selling!!! And Wave Indicator Blue if buying or Orange if selling!

(In example bellow I am using the **YELLOW** vertical line to show the BUY signal entry).

STOP LOSS

There is few ways you can use stop loss on my trading system.

STOP LOSS 200 PIPS (5 digit broker) or 20 pips (4 digit broker) or 200 pips below or above the recent peak/valley.

IF STOP LOSS BEEN HIT DO NOT RE ENTER UNTIL ANOTHER ARROW APPEAR

OR

USE STOP LOSS WITH TRAILING STOPLOSS -

Use 200 pip stop loss (5 digit broker) or 20 on 4 digit broker, on entry...

Put on TRAIL STOP LOSS of 100 pips (5 digit) or 10 pips(4 digit) or use 50/5 pips trail if you like but its better 100 to give it room to move.

EXTREME TRADING TIPS

1. You can exit any time you are in profit and wait for next signal.
2. Scalp 5 min time frame.
3. Try different currency pairs. (check history if all entry's line up)
4. Trade Gold and Silver
5. Best time frames to trade 5 min, 15 min, 1 hour, 1 day.
6. Trade with the trend (use daily chart to see direction).
7. Trade during busy times. New York open and UK open.
8. Don't trade on Fridays
9. Do not trade more than 0.01 lot per \$100 (\$1000 = 0.10 lot max)
10. Use Stop Loss.
11. Use Trailing Stop
12. Draw Trend lines on high time frames all the way down to the time frame you are using. (watch my video)
13. Buy coaching time with me.
14. Join and like my pages, websites and groups.
15. Use my links for best brokers. (I ONLY TRUST THEM)
16. Download free info on my website.
